

Chess Lessons for students from P1 to P6

2024-2025

The school Georges Désir has the pleasure to introduce the opportunity to learn or to improve the capabilities to play chess.

Playing chess improves the concentration and also the quality of our visual memory.

Students will learn how to make their best decisions on a strategic and tactical level.

They will discover, in a funny way, all the virtuositities that playing chess can bring.
